

400cc Range of Off-road All-Terrain Vehicle

SNIPER T400 SERIES

Description

Sniper T400 - Expect a perfect balance of power and agility. Featuring a 25HP, 4-stroke, 1-Cylinder, water cooled engine, it is described as bold, rugged, and sleek. Equipped with adjustable seats, a solid front bumper, and sleek LED headlights. Marketed as a 2-seater built for those who crave speed and adventure.

Sniper T400U - Designed for practicality without compromising performance, the T-400U offers a spacious cargo bed for extra gear and features a bucket tilting action for easy off-load, making it ideal for work and extended off-road excursions. This versatile ATV boasts a sleek and modern look.

Sniper T400 and Sniper T400U Dimensions:

2,700mm (L) x 1,450mm (W) x 1,760mm (H)

Dry Weight: 330kg

Regardless of the Sniper T400 model chosen, the user is guaranteed a head-turning design, stability on the toughest terrain, and an adrenaline-fueled ride.
